## United Kingdom Federation of Majorettes

### Code of Conduct Form 2022/23

- We the undersigned will oversee the Troupes training at all times, that no one adult are left alone with troupe member without at least two other adults being present in the same area.
- We will see that each member is picked up after practice by responsible adult known to us and that in the event that person should be late without message we will keep the member in a safe place till they are collected.
- We will refrain from bad language, arguing, smoking and drinking alcohol whilst on duty at practice.
- We will try to resolve any problems, away from the practice session and out of ear shot of the troupe members, so as not to upset them.
- If we have to give a child a lift in our car, our own child would be the last to be left with us; unless agreed by parents first.
- That any accident that may happen we will inform parents for advice before doing anything, unless you have permission in place.
- We will be alert to the Troupes well-being whilst at practice sessions and other times when the Troupe is on duty.
